

What constitutes social solidarity?

1

Cooperation

not competition;
we collaborate
rather than oppose
one another.

2

Support

When someone is in
need, we do not
abandon anyone
during a crisis.

3

Equitable opportunities

unequal starting
points, dismantling the
obstacles,
acknowledging their
existence.

4

Responsibility

for the community
My actions
influence others.

5

Inclusion

Rather than exclusion,
every individual holds
a place within society.

social solidarity

**Solidarity is an action, not
merely a slogan.**
