

WORK CARD 3

INNOVATIVE METHODS AND TECHNIQUES IN WORKING WITH DISADVANTAGED ADULTS

Inside the person outline, write down in one colour types of groups of disadvantaged adults, any specific requirements they may have, and how creating a suitable learning environment may motivate them.

Outside the person outline, write down in one colour innovative educational methods and techniques and what group of adults they would be suitable for.

One example has been done for you.

Adults who lack literacy skills. Use audio and visual learning tools.

Project based learning of recording a video / filmmaking
