

WORK CARD No.8: Listening Assessment

1. Rate how well you listen by rating yourself on the scale below.

2. Write down some ideas to improve your listening skills.

Rating scale

Auditory activities

Excellent

Weak

I put aside other work and focus on the participant while listening.

5	4	3	2	1
---	---	---	---	---

I listen to the modulation, speed, and voice changes to detect any emotional issues the participant is facing.

5	4	3	2	1
---	---	---	---	---

I let the participant finish their speech before I speak.

5	4	3	2	1
---	---	---	---	---

I listen to both the expression of feelings and facts.

5	4	3	2	1
---	---	---	---	---

I pay attention to the guidelines whether the participant understands the content conveyed.

5	4	3	2	1
