## WORKSHEET 2.

Read through the list of career preferences and **consider which ones are most important to you**. Focus especially on those that seem to be crucial for your career. Use these preferences as a guide during your job search and when making decisions about your career path. Remember that it is important that your choices are in line with your career priorities and personal goals.

Rate them from **0 to 10 points**. Then list all those to which you have assigned from 10 to 8 points from the most important to the least important one.

1. Working environment
2. Professional development
3. Sustainable lifestyle
4. Challenges and variability
5. Mission and company values
6. Interpersonal aspects
7. Significant impact
8. Creativity and innovation
9. Job stability
10. Recognition and appreciation
11. Teamwork
12. Self-reliance in action
