WORKSHEET 4.

Think of situations where you had to make a decision.

- What was the decision about?
- How long did it take you to make this decision?
- If at all, who assisted you in making the decision?

In groups of four, discuss:

- How did you make the decision?
- What did you take into account?
- How quickly did you make it?

Return to the group and if you like, share with others in the group discussion. Sharing is encouraged because it allows involvement and learning through one's own example.

A large, empty rectangular box with a dashed blue border, intended for students to write their responses to the discussion questions.
