

EXERCISE 5

HIRING A NEW EMPLOYEE

You are a manager in a training company, you have received an order from your director to hire a new employee. His clear guideline is that the employee should be a foreigner and have the appropriate competences. The job is to be for the position of "Sales Analyst".

PLAN AN INTERVIEW:

What competencies should you pay attention to?

What will be an added advantage?

What will be an added advantage?

Prepare a sheet with recruitment questions and try to conduct an interview.

You have decided to hire a foreign worker. What challenges may arise when introducing a new employee to the team?
