

# WORKCARD 10

Change is needed in a company when the following factors are present:

1. **High employee turnover and negative opinions about working in the company.**
2. **Generally "bad" work atmosphere.**
3. **Low effects of the work of employee teams.**
4. **Customer service issues and conflicts between departments.**

Think about the above factors and write down below what you can do to change them.

1.

2.

3.

4.
