

Worksheet 7

Money for your dream life.

Calculate how much your dream life would cost.

Assign an amount for your home, car, daily life, travel, training, etc.

.....

.....
.....
.....
.....
.....
.....
.....
.....

When you have the full amount, divide it to get your monthly amount.

.....
.....
.....
.....
.....

It may turn out that this huge sum divided into months will seem much more realistic to achieve, which will reduce the resistance and disbelief in our dreams.
