

EXERCISE 2

Write down in the clouds:

WHERE DO STEREOTYPES COME FROM?

HOW DO STEREOTYPES HELP US? HOW DO THEY BOTHER US?

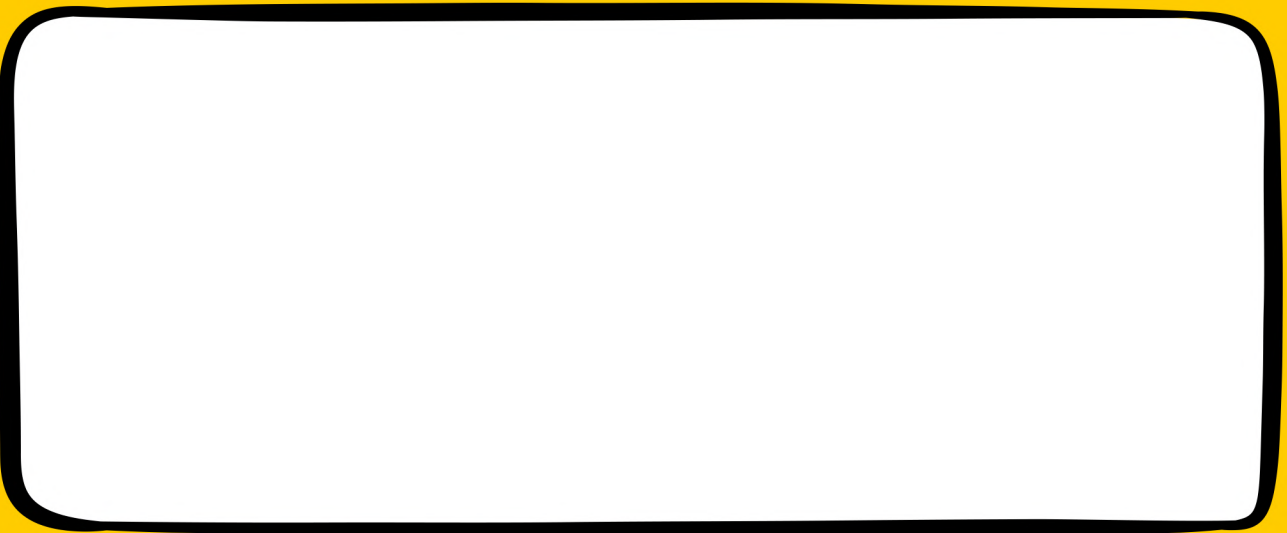

WHAT HARMFUL THINGS CAN STEREOTYPES CAUSE?

ARE THEY ALWAYS TRUE?

EXERCISE 2

Write down in the clouds:

**CAN YOU THINK OF A STEREOTYPE YOU KNOW
IS NOT TRUE?**

We draw the group's attention to the fact that stereotypes are not always true, but they can often be harmful.

If people in the world tolerated each other, it would be easier to avoid conflicts.

We also note that sometimes such tolerance is difficult.
