

# EXERCISE 5

Read the following text about multiculturalism in Podlasie in Poland. Highlight it and then modify the text so that it does not have a stigmatising character.

The community has always been diverse [...] Catholics are dominant, but there are also many people from the Muslim minority, some Orthodox. [...]

In Suchowola, as the only village in the Podlaskie Voivodeship, Islam is taught at school - as part of Religious Studies.

The current Tatar mufti, the head of the Muslim religious community, lives in Chodorówka.

# EXERCISE 5

Read the following text about multiculturalism in Podlasie in Poland. Highlight it and then modify the text so that it does not have a stigmatising character.

There is a building near the school that needs a thorough renovation. This building is a former Jewish synagogue. There was also a wooden synagogue in Suchowola, but unfortunately it has not survived.
